# The Rock Round Up!!!

Today was a memorable day to be in the Rock :) we studied the summary of the law and what it means to love God. We decided you love God by talking to Him and spending time with Him through prayer.

To make our prayers even more special we wrote them on balloons and released them as a class. Each child did their own, but I saw prayers for soldiers, sick grandparents, thanks for parents and even pets :)

Yours in Christ,  
David Palady
