The Rock Round Up!!!

Today was a good day in the rock. We studied 'The Parable of the Wicked Tenants'. We drew parallels between the landowner and the vineyard to God and the church and how the Pharisee were really the wicked tenants Jesus spoke about.

To make it fun we learned in 'Pictionary' format :) I highly recommend all the parents check out the wall outside our class. You can test your 'Pictionary' skills as well as see past lessons.

After weeks of practice the choir did an excellent job leading the 11am service in song. This isn't related to Sunday school, but most of the choir is in the Rock, so I am enclosing a picture.

Yours in Christ,
David Palady
